

## EXTENDED SITUATIONS VACANT SERVICE FOR STUDENT MEMBERS

### A new job listing platform to recruit law students

1. The Standing Committee on Member Services is pleased to launch the "Extended Situations Vacant Service for Student Members" ("ESV"), a new recruitment service to facilitate job matching between law firms/corporate legal departments and Student Members of the Law Society for vacancies of non-qualified roles (except for hiring of trainee solicitors) e.g. summer interns, part-time legal assistants, short-term legal researchers etc. With this platform, the Law Society aims at **providing more opportunities for our Student Members, who are currently pursuing their studies as a law student, to find jobs that they could take up during their studies** and gain work experience from, thereby equipping themselves for their future career paths after graduation.
2. Law firms/Corporate legal departments are invited to post jobs targeting law students on the ESV platform. The job postings will be circulated among Student Members directly on a biweekly basis. This new service is offered to law firms/companies **FREE OF CHARGE**.
3. Please refer to the [information sheet](#) for full details of the ESV including application procedures and specifications of ESV job postings etc.
